I found simple issue to be perfect developer , please try to edit it before sprint meeting.

For perfect README file , please read them (https://blog.bitsrc.io/how-to-write-beautiful-and-meaningful-readme-md-for-your-next-project-897045e3f991) & (https://github.com/adam-p/markdown-here/wiki/Markdown-Cheatsheet) then apply it in each task.

Regards,
Aya
